

Part4  
A Question of Morality

**ASK IT**

The **Question** that **answers**  
just about everything.

As you look at every opportunity,  
every invitation & every decision.

What is the **WISE** thing for me to do?

In light of my **past** experience,  
**current** circumstances,  
**future** hopes and dreams,  
what's the **wise** thing for me to do?

Home Work  
Ask It!

Talking yourself into a dumb decision.  
“There is nothing wrong with?”

“It’s a bad idea to assume that if something  
is not **wrong**, then it’s **right**.”

There’s **good** and there’s **bad**,  
but that’s not our clue, but rather,  
what is the **WISE** thing to do?

Bad moral decisions are  
generally preceded by a  
**series** of unwise decisions.

“I don’t think you should go”

There's nothing wrong with...

- ✓ Lunch
- ✓ Dinner
- ✓ Working late together
- ✓ Confiding
- ✓ Listening
- ✓ Dropping by
- ✓ A hug

**Bad** moral decisions are generally preceded by a **series** of **unwise** decisions.

Closer to the edge

Calories – time

1 Corinthians 6:18 (NIV)

**Flee** from sexual immorality. All other sins a man commits are outside his body, but he who sins sexually, sins against his own body.

What's at stake is not **forgiveness**.  
What's at stake is **consequence**.

1 Corinthians 6:19-20 (NIV)

<sup>[19]</sup> Do you not know that your body is a temple of the Holy Spirit, who is in you, whom you have received from God? You are not your own;  
<sup>[20]</sup> you were bought at a price. Therefore honor God with your body.

Will this be honoring to God?

You will never be happier  
than your relationship

Instead of asking,  
“How **close** can I get?”

Ask, “How do I honor  
God with my body?”

Culture **baits** us to  
the edge of moral disaster,  
then **chastises** us  
when we step over certain lines.

There's nothing wrong with,  
there's wrong with...  
then the bottom falls out

In light of my **past** experience,  
**current** circumstances,  
**future** hopes and dreams,  
what's the **wise** thing for me to do?

**Pre – decide** and  
**write** it down.

“But nobody else is ....”

“But **nobody** else is  
and I want  
to be like **everybody** else.”
